Sussex County Airport • Georgetown, DE

## ENVIRONMENTAL ASSESSMENT OPEN HOUSE

Sussex County, Delaware will hold a public information meeting on Tuesday, May 3, 2011 at 6:00 PM at the Sussex County Administrative Office West Complex Building, 22215 DuPont Boulevard, Georgetown, DE 19947. The purpose of this public open house is to provide the public with information on the Environmental Assessment (EA), which is evaluating impacts associated with extending Runway 4-22 at the Sussex County Airport. The proposed improvements are intended to achieve compliance with FAA safety regulations and to meet the existing and projected aviation needs of the region.

The meeting will afford the opportunity for the public to speak with airport personnel, members of the County, State, FAA, and consultants, Delta Airport Consultants, Inc. Stations will be set up for residents interested in speaking to the staff or consultants to discuss the project specific related questions. The meeting will also provide the opportunity for public comment to comply with the National Environmental Policy Act (NEPA).

The draft Environmental Assessment report for the proposed project has been prepared and is available for review at the following locations:

- Federal Aviation Administration – Harrisburg Airports District Office, 3905 Hartzdale Drive, Suite 508, Camp Hill, PA 17011
- Delaware Department of Transportation – Planning Department, 800 Bay Road Dover, DE 19901
- Airport Terminal Building, 21553 Rudder Lane, Georgetown, DE 19947
- Sussex County Administrative Office Building, 2 The Circle, Georgetown, DE 19947
